## HAPPY TUMMY™ FEEDING GUIDE (PLEASE KEEP FOR FUTURE REFERENCE).

Thank you for buying **Happy Tummy™** - it is a wonderful product which will give you excellent results.

### HOW MUCH TO FEED – using 5g (c15ml) scoop provided

Simply mix into the feed or sprinkle on top. All animals take to it readily & it has no taste or smell.

**Ensure plenty of fresh, clean drinking water is available for all animals.**

#### HORSES, DONKEYS & PONIES

Recommended daily amount - in every case the amount is divided / split into two feeds:

**Equines** 16HH+ 8-10 scoops; 14-15HH 6 - 8 scoops; 12-13HH 4-6 scoops;  
11HH and under 2-4 scoops; **MINATURES** 1-2 scoops.

**With equines** the recommended amount can be reduced **by half**, once the condition/problem has significantly improved and this reduced amount used as an aid to full recovery.

**For maintenance and prevention**, about a 1/3 of the recommended amount should be given.

#### DOGS, CATS, RABBITS, GUINEA PIGS & SMALLER ANIMALS

Recommended daily amount - in every case the amount can be split into two feeds (morning and afternoon). Please ensure that plenty of clean drinking water is available at all times.

**Large breeds** - (Wolf hounds, Great Danes, German Shepherds & etc.) 1 – 6 scoops daily

**Medium breeds** - (Retrievers, Spaniels, Beagles, Boxers & etc.) 1 – 4 scoops daily.

**Small breeds** - (Terriers, Poodles, Chihuahuas & etc.) 1 -2 scoops daily.

**CATS :** - 1 – 2 scoops **DAILY**

**PIGS:** **Smaller Breeds & gilts** 1/2 – 1 scoop / head **daily** into their feed;

**Medium Breeds:** 1-2 scoops / head;

**Large breeds:** 2-4 scoops / head

**CHICKENS & all OTHER POULTRY (Ducks, Canaries & other Finches, Budgerigars & other Parrots, Geese, Guinea fowl, Quails etc):** 2 heaped scoops per 5kg of feed **daily**

**BEEF cattle:** 10g – 20g (2- 4 scoops) /head mixed into the feed **daily**.

**DAIRY cattle:** 20g – 40g (4 – 8 scoops) /head **daily**

**SHEEP, GOATS, CAMELIDS & other domestic animals:**

1/2 – 4 scoops / head **daily** depending on size of animal.

**HAPPY TUMMY™ charcoal** is an approved Feed material which can be safely fed long term; it is not a substitute for pharmaceutical medicines or a replacement for veterinary attention. **If your animal or animals fall ill first consult your vet.**

**HAPPY TUMMY™ charcoal** is also available in Capsule form for human use.
